Family Finder Match

Herbert Max Bradey has been listed as a 3rd cousin match to Ronald E. Pruett on the Family Finder site of FTDNA. This is an important find to our line. If Mr. Bradey's tree is correct, then he is descended from revolutionary war patriot Joshua Pruett and his son William. Knowing that Ron is known to be connected to Solomon via DNA, wouldn't this match confirm the long suspected connection between Joshua Pruett and Solomon Pruett(group B) both of whom served in the Revolutionary War? A Ydna test would not be useful because it is Mr. Bradey's mother who is a Pruett.

Most of you know that I have long searched for the parents of Francis Marion Pruett, b. 1832 who is the g-g-gf to DNA participant, Ronald E. Pruett. Because of the naming pattern of Francis Marion Pruett's sons, (1st son William Jasper, 2nd son Joshua Franklin) I have to wonder if FMP could be a son of William, and grandson to old Joshua. The two censuses in which we have found FMP, his father shows as being born in SC. FMP himself shows in one census as having been born in GA, one shows AL. Many online trees show William dying in SC, so the question arises - Was he ever in AL or GA?

Both our tree and Mr. Bradey's tree are posted on this site. Obviously, this needs much more research. I am interested in the thoughts/comments from this group on this situation. Am I on the right track thinking this confirms the Joshua/Solomon connection? Does anyone have any information that would be helpful?

Thanks, Elaine

Elaine, while the firm genealogy data I have and having met my mother briefly before her death I never had any doubts that my mother was Ruth Pruitt and there were other confirmations this is quite a moment for me to have the referral based on DNA results which is a firm DNA link for me to the Pruitt family. Quite a moment..... max bradey

Ancestry is now testing women. My DNA is being tested under their new program. I had received a special offer, but I see that they are now offering the test @ \$99.00. Any woman interested should contact Ancestry ASAP as this offer is only good for the next 4 days.

Grace, I tried to order the test Friday with no luck. The Ancestry spokesman I talked to said I should wait for the special Email invitation they are sending out with a link to order the new test. He also said I had 4 days after receiving the Email to order the test.

Ancestry is not accepting orders for this test like they used to because they said the demand should overwhelm their lab people.

Ooops...When I spoke with the rep on the phone, I was told that I could order the test for any one I wanted and thought the email link I received was forward-able. It appears that the offer was only for me or someone I was willing to pay the fees for - A misunderstanding on my part. Sorry if I got your hopes up, but at least you all know that the test is forthcoming.

Elaine - I believe that you are correct and yes it confirms the Joshua/Solomon connection. It proves other connections too such as Samuel and Ransom. Samuel attested to his brother Joshua's service, Ransom served with both of them. Ransom lived beside John in 1800.

It's really exciting and confirms my assumptions about the William and Judith Dudley Prewitt line. They have nothing to do with the Henry of Henrico line.

Congratulations Max!!

Marcia, thanks for the comment. I hope we are able to piece together more of this puzzle.
