### Welcome Vernon Pruitt!

Vernon, I hope you will look around our site and find it interesting and informative. Please feel free to comment or post items on your family.

Vernon you are in our Family Group B because of your Uncle McKay's DNA test. See our compare DNA section. I added Greer and Hettie's six children to McKay's family: <http://groups.ancestry.com/group/60509555-/discussions/124409708>

Other discussion items about Family Group B are on our sister website at: <http://dna.pruiett.net/fgb.php>
