Hi Loriee and welcome to the Pruett group. Right now we have five Pruett, Pruitt families who have had their DNA tested. Four of these are closely related and are living in different states. All five appear to have originally started out in VA. We hope more people will be tested and some of the roadblocks in early VA for the Pruett, Pruitt family can be solved. Please feel free to ask any question or post anything on the blog part of the site.
