### Nelson > Robert > Michael > Andrew > Henry Prewitt

I was reading a section of a book by Benjamin Van Meter, "Genealogies and Sketches of Some Old Families Who Have Taken Prominent Part in the Development of Virginia." 1901

On page 74 the author makes reference to Solomon's third wife Martha C. Prewitt, daughter of Nelson Prewitt, son of Robert, whose father was Michael Prewitt. The author states that Michael's ancestors migrated from Ireland to the Virginia Colony many years before the Revolution.

Research has Michael's father as Andrew, whose father was Henry. Has anyone made the connection that Henry of Henrico's line is from Ireland?

Probably not, but some researchers think some may have lived there. I think many of our Pruetts (any spelling) lived in Normandy but especially in France because of the pronunciation and the spelling. Let us all know if you find something definite. For certain, many were wanderers in search of their fortune.
