Thanks, Michael

Welcome to the group, Michael, and thanks for posting a link to your family tree on Ancestry. You mention David Prewitt (b. 1726 in Henrico Co., Va.) as the earliest member on your Family Group Sheet and then list family members who lived in Henry Co., Va. and then Kentucky. I hope some of our members will comment. When you have a chance, let us know a little more about your family and any issues you'd like other members to comment about. Have you taken the Ancestry Paternal Lineage DNA Test? There's a link to the test page in the Introduction at the top of this page.

Bill, I've been working from Michael's family tree since catching the genealogy bug a few months ago and I'm thankful for all of his hard work.

Michael can correct me if I'm wrong, but I believe his and my line split with Elisha (Elijah?)... me from Henry (1788) and he from Solomon Sr.

More DNA testing for the both of us should verify a lot of the work done so far. Since I may have a connection with Henry (1654) from Henrico... knowing a DNA connection for he and I would help a lot.

Thanks for joining Michael. I have found the group very responsive and extremely helpful.
