Hi Lonna, welcome to the group. Love your pictures! Hopefully you have a male Pruet cousin who can participate in the DNA project.

There are a couple of errors in your early lineage from recent research:

- Henry was just Henry not Henry James. Born c 1654.
- Henry's son Thomas Sr was born c 1680 and his mother wasn't Rebecca Dobbs. Henry and Rebecca married 8/20/1691.
- Thomas Sr, born c 1680, died c 1745 in Amelia Co, VA. His first wife's name is unknown. He married Mary Chastain Ducre, widow of Nicholas Ducre, c 1719. They didn't have any children.
- Thomas Jr was born c 1705 in Henrico Co, VA and died in 1760 in Halifax Co, VA.
- William was born c 1738 in Amelia Co, VA. According to the Middlesex Parish Register, Judith Dudley was born 12/26/1731. If she married a William Prewitt, I believe that it was a Group B Prewitt and they lived in Guilford Co, NC.
- Obediah's birth was likely closer to 1760.

Here's a link to a piece that I wrote on Henry. It contains a link to my tree that has the documentation.

Thank you Marcia! I am fairly new to the search and have come across quite a few errors. I really appreciate your help! I will take a look at your link and correct our information.
