Tommy Pruett, Welcome

Glad you came on board, Tommy. I believe the file "The Descendants of Henry Prewitt of Henrico County..." will answer some of your questions.

The file for the family of one of your matches is "Descendants of Charley Rossen Pruett." Will you please tell us something of your ancestral line?

This is a great site for the exchange of Pruett information.

Welcome Tommy, it seems you have wonderful paper trail and even more important, a family Bible. You are in our largest family group and best documented line, Family Group C. See the Compare DNA section where all five family groups with their members are listed.

That Huriah-Uriah is very interesting and Henry's line used the Uriah name.
