### Welcome Michael

Welcome to our group Michael. Your 46 marker DNA test is an exact match to Paul Pruitt who just had his 46 marker DNA test included in the database. You and Paul could pass as brothers based on your DNA.

Michael, you are in Family Group C which we call Henry of Henrico's line. This group is growing and has a lot of documentation. Your ancestor, Davis Pruett of SC, is related to Henry's VA line.

As more people are added, it now takes a minute or more to get into the DNA Comparison section when you click on it, so be patient.

Michael, I am going to post your line below from the email you sent me.

Davis Pruett who was born in South Carolina in 1797. We don't know the names of his parents but we know from the 1880 census his father was born in Virginia and his mother was born in North Carolina. My line came down from Davis Pruett as follows: Davis was in the 1880 Census - Cullman Co. AL

Thomas Pruett - Thomas was born c 1850 in Ogelthorpe GA Thomas is in Lawrence in 1870 and Franklin in 1880  
William Wesley Pruett - born around 1871-1872 in Lawrence or Franklin Co. AL WW was 8 in 1880 Franklin Census  
Homer Pruett - born around 1901 in Arkansas

Michael

I ran across an old pedigree chart that you probably did...back in 1993 I think. Interesting that your William Wesley married in Paris, Lamar, Texas...I was born in Hugo OK...just across the Red River from Paris. My grandfather, William Thomas Pruett married my grandmother in Sulphur Springs TX and they had a son Earl who died in Fresno in 1976. Small world.

@ Jan, I was born and raised in Paris and noticed a lot of Lamar County in the lineages. I am as far as I know the last of my name line:(

Hi Jason. My grandfather's name was William, his father was Joseph and his father was Thomas...interesting don't you think? They were from Madison Co AL to Jackson Co AL to Lamar Co TX to Choctaw Co. OK.
