Pruitt House on Buffalo River in Arkansas

This house still belongs to the Pruitt family. This house belonged to John Daniel Pruitt and Vernetta Jane Moss-Pruitt. It's located in Jasper, Arkansas. The Pruitt family cemetery is located a mile down the road. <http://www.buffaloriverbunkhouse.com/>

John was born in Indiana Nov. 13, 1830 (not sure who his parents are).

John and Nettie had 2 boys. Ransom S Pruitt and "General" Ulysses S. Grant Pruitt. The house was left to Ransom Pruitt. There are 2 original houses located there.

The Pruitt's still own and operate. I called and talked with the owner of the houses. Ransom stayed in Arkansas. I found out that this is were my Great Grandfather Daniel Wesley Pruitt was born and my Grandfather Milo Lincoln Pruitt was born. They have pictures of them and thinks one may be my father as a baby. Many stories of all the John Daniel and Ransom Pruitt family.

They told me that they did not know anything about John Daniel Pruitt's parents.

Thank you Elbert!

Stephanie, that is wonderful that the house of John Daniel Pruitt is still standing and you know where it is. It seems you really have your family history back to John who was born in 1830 in IN.

It would be very interesting to see where John Daniel Pruitt's line falls in our DNA subgroups.

According to all the census reports from John Daniel his parents were born in TN. I am running into a lot of John Pruitt's born in IN around the same time.

The Pruitt house owner said they had a visitor from a Pruitt family in TN. That they looked a lot like the Pruitt's there. (They did not know where anything about where he was born just AR stories)

I am going to have one of my sons do the dna. I post when it's done.
