Scandinavian ancestry

Ilene is your Pruett ancestry Scandinavian? I have been trying to connect my line with this group since I am an I1d Haplogroup.

Does anyone else have Scandinavian ancestry in their Pruett/Pruitt family trees?

Yes, I have Scandinavian Dna Matches through my maternal line Dna and I am a member of the Scandinavian group.

I am a member of the group as well. I am hoping to see more result via Y-DNA there.

It is unlikely we would be able to tell any DNA between us since you are Pruett via marriage. We can hopefully connect through our family trees and maybe you can help me with our Scandinavian history. :-)
